## BLACK SWAN

**This is a BLACK SWAN.**

Look at the swans at the Reserve.  
Colour your swan in when you  
return to school.

It has a long neck so it can  
feed in deep water.

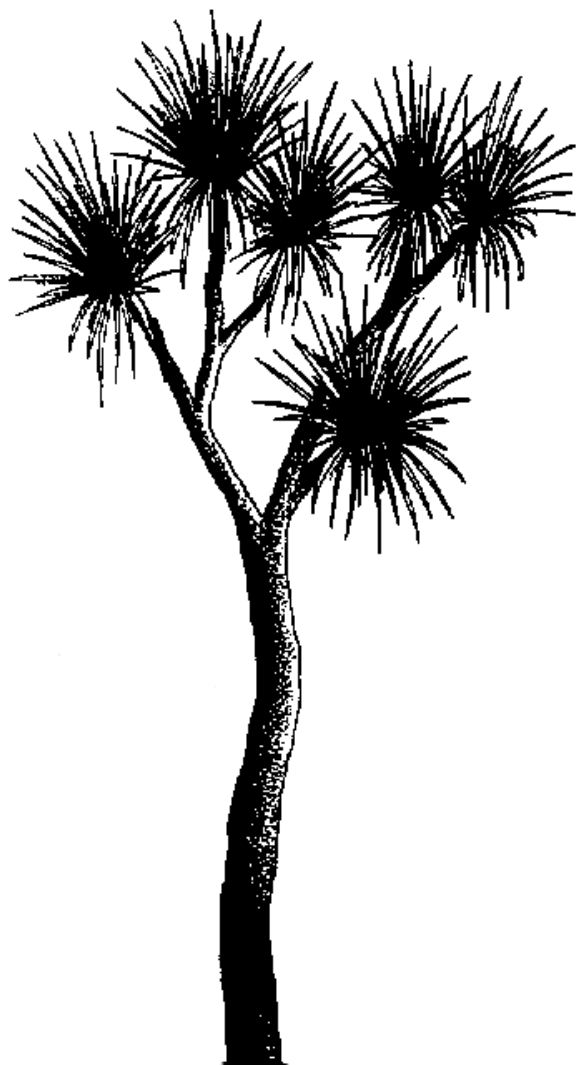

It has large webbed feet to  
help it swim.

As you walk around the Reserve see if you can find these trees.

Tick them when you see them

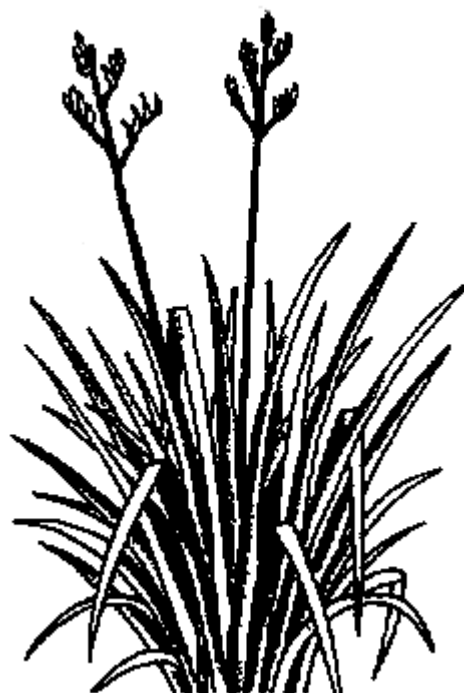

Cabbage Tree

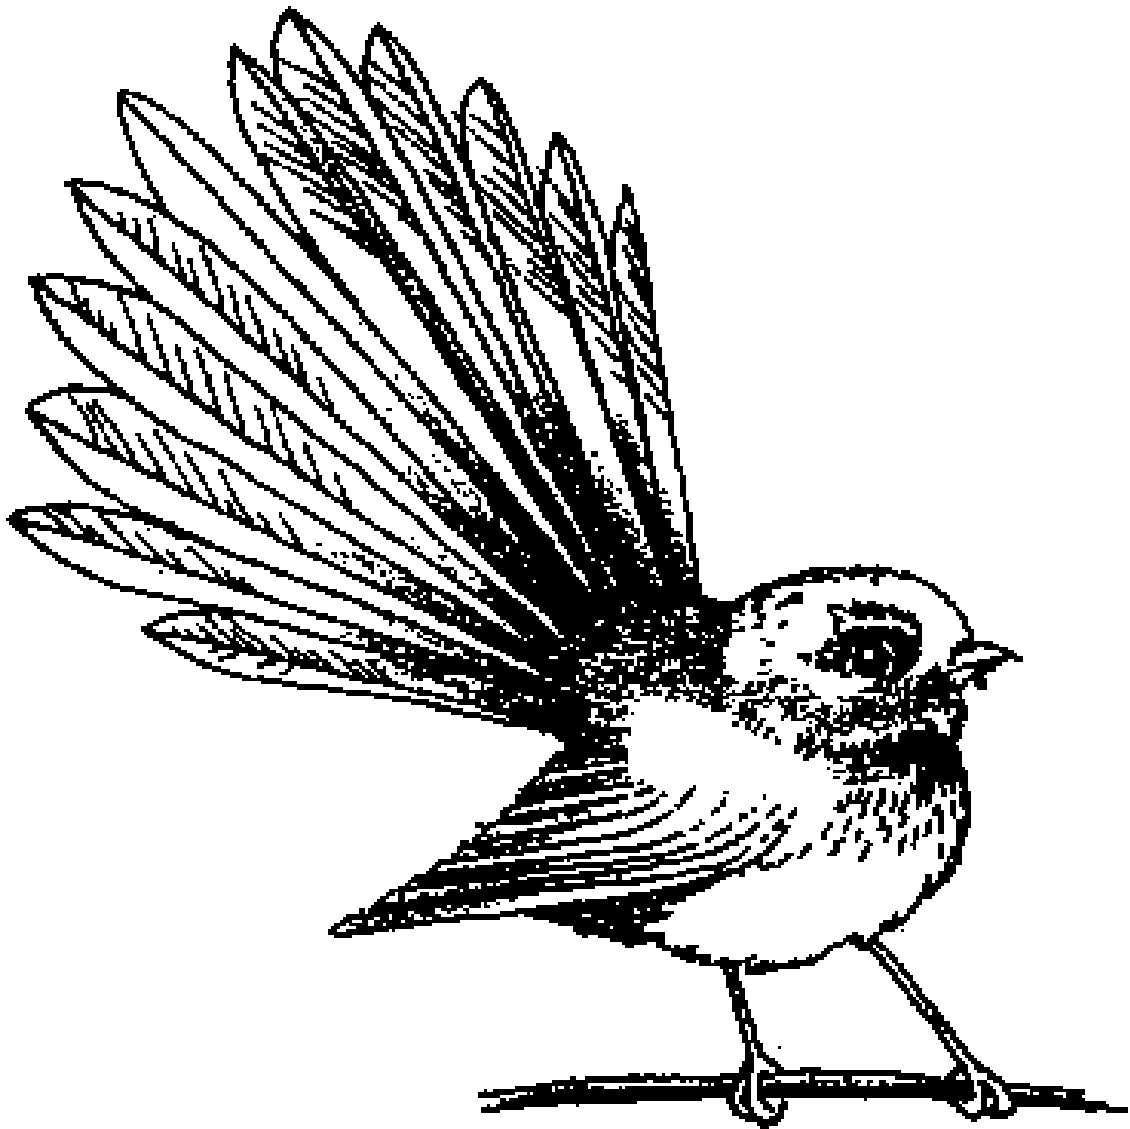

Tree Fern

Flax Bush

Did you see a bird like this?  
Colour it in.

Draw something you saw at the Reserve
